

Aliquippa "Quips".

Last Year's Overview: Aliquippa, backed by a high-power offensive, had another WPIAL title-winning season. Going 9-0 in the conference and 13-1 overall. Their only loss came in the PIAA Class 4A Championship to Bishop 41-18.

Offensive Overview: Saying the Aliquippa offensive is good is an understatement. Their average score last year was 39 total points, which is impressive. This is backed by a quarterback who threw 1,900 yards and a little over 20 touchdowns. They will be losing their WR1 as he graduated last year, but the passing game doesn't make up their offense. Their run game is also crazy strong, as they retain their lead tailback, who had 1,900 yards and 33 touchdowns.

Defensive Overview: Aliquippa Defensive averaged 12 points against through 14 weeks of play. They also only let five games with 20+ points scored against them.

Overall: Overall, expect this Aliquippa team to have yet another strong year. They are a strong junior and senior team, meaning they have played a lot of football and are experienced. This team is hungry, as they know how it feels to get to the state title game, but they want to know how it feels to win it all.

Last Year's Schedule

Date	Team	Score
09-02	@Armstrong	W 28-14
