

### Ambridge "Bridgers"

### This year's Schedule

Last year's Overview: The Ambridge Bridgers had a bad year as they went 3-7. They had a struggling offense that was inconsistent with scoring. They also had a defensive line that just could not keep the game close.

Offensive Overview: The Bridgers offensive was way too inconsistent, with one game scoring no points and another scoring 34 points. They will not be having their QB, as he graduated last year. There were no stats provided in the running game.

Defensive Overview: The Bridgers defense could not keep the game close for their struggling offense. In ten games played, nine out of ten defensive players let in more than 20 points.
