

Canon-Mac Preview:

Last Season's Recap: The Big Macs started off the season dropping two of the first three games to 2021 defending 5A champ Penn Trafford and the 2022 WPIAL Champs the North Allegheny Tigers. The Big Macs would go on to make the playoffs and play those Tigers again. Canon McMillian would go on to lose that game in a defensive shootout 7-0.

Offensive Standouts: Senior QB Mikey Evans looks to take the Big Macs back into the playoffs in 6A. Mikey Evans through 206 passing attempts completed 102, with 8 interceptions to 18 touchdowns. The leading receiver for the Big Macs is the 2023 Grad Austyn Winkleblech.

Winkleblech recorded 811 yards through 46 receptions in the 2022 campaign. Jake Kasper was a big part of the run game for the Big Macs recording 1,404 rushing yards with 213 attempts. Scoring will be tough for Canon McMillian in the 2023 season with the top two scorers leaving the Big Macs from last season.

Defensive Standouts: The Big Macs defense might struggle when coming to the pass rush with the leading sack leader Kent McMahon with 5.0 sacks, graduating and leaving the Big Macs. Canon Mac will be bringing back the leader in tackles in the 2022 season Geno Calgaro with 10.2 TCKL/G. They will be losing a key offensive and defensive threat Austyn Winkleblech with a team leading 4 interceptions.
