

Chartiers Valley "Colts"

Last Year's Schedule

Last year's overview: The Colts went 1-9 last year. They are going the wrong way, as three years ago they went 6-2, then two years ago they went 4-6.

Offense Overview: Last year's Colt's offensive could not get the ball in the endzone. They had a quarterback who threw over 1,000 yards last year. Their running game was lackluster. This hurt them the most, as they had to depend on the pass.

Date	Team	Score
08-26	@ South Fayette	L 35-0
09-02	@ Trinity	L 38-13
09-09	vs. Highlands	L 28-20
09-16	@ Central Valley	L 58-13
09-23	vs. Blackhawk	L 33-16
09-30	@ West Allegheny	L 43-6
10-07	@ New Castle	W 22-13
10-14	vs. Montour	L 32-14
10-21	vs. Aliquippa	L 61-7
10-28	@ Ambridge	L 25-21

Defensive Overviews: Last year's defense was also a key point to a sub-par season. The defense could not keep the team in the game. They had nine games with 25-plus points against them, you cannot win games like that.

Overall: This Colts team is in overhaul mode now as they lost all their top players. They need to find their style of football on both sides to play. This year they have a chance to restart with younger players.
