Overall: This Franklin Regional team did lose their starting QB and RB, who also happened to be their top LB's and both positions are in rebuild mode to help find their four-year starters. However, there are some things to look forward to. Now Junior DT Andrew Devola is coming off of a 11.5 sack season, so be prepared to hear his name a lot during their games this season. Now Junior LB Austin Kerns averaged 9.6 tackles a game last year and finished with 122 total tackles.
