

Greater Latrobe Preview:

Last Year's overview: The wild cats are trending in the right direction. Two years ago, they had a bad year, going 3-7. This past season, they went 7-5 overall with a playoff appearance.

Offense overview: The Wildcats had a young offensive last year, as their starting QB was only in his sophomore year. In his sophomore year, he had 871 total yards and 18 touchdowns. He had some growing pains as he had 6 total interceptions. They average 29 points per game, which is enough to win games.

DATE	TEAM	SCORE & RESULT
8/27	@ Derry	55-0 W
9/02	@ Franklin Regional	36-33 W
9/09	Vs Hempfield Area	49-14 L
9/16	@ Thomas Jefferson	31-21 L
9/23	Vs Laurel Highlands	18-7 L
9/30	Vs Trinity	31-6 W
10/07	Vs Ringgold	42-0 W
10/14	@ Connellville	43-13 W
10/21	Vs McKeesport	54-14 L
10/28	Vs Butler	28-14 W

Defense Overview: The Wild Cats; defense has kept them in games when the offense could not do anything. The defense averaged 24 total points against.

11/04	@ Highlands	28-21 W
11/11	@ Thomas Jefferson	21-6 L

Overall: I expect this team to have a solid year, as they retained most of their key players on offense. They must stay consistent, as they would have games where they score 30 or more and get shut out. Their defense is able to win games as they could keep them in games.
