

## Laurel Highlands Preview:

**Last Year's Overview:** The Mustang had yet another solid year. They went 8-3 overall and 5-1 in the conference.

**Offense Overview:** The Mustangs offense was solely built around Rodney Gallagher. Rodney Gallagher had the most passing, rushing, and third-most receiving yards. He had an amazing year as he was able to make play after play for his team.

**Defense Overview:** This year Mustangs defense was impressive. They were able to keep the team in every game. Their point against was only 16 points. That is almost only two touchdowns a game.

DATE	TEAM	SCORE & RESULT
8/26	Vs Uniontown	50-6 W
9/02	@ Belle Vernon	41-20 L
9/09	Vs Kiski Area	37-7 W
9/16	Vs McKeesport	33-0 L
9/23	@ Greater Latrobe	10-7 W
9/30	Vs Thomas Jefferson	31-24 W
10/14	@ Trinity	20-0 W

10/28	@ Connellsville	46-0 W
11/04	Vs West Allegheny	44-15 W
11/11	@ Central Valley	36-7 L

**Overall:** I expect this team to have a subpar year. Even though the defense can keep them in the games the offense will be their weak link. They only relied on one kid everything went through Rodney. They are going to have serious growing pains as they have a hard schedule with a young team. I have them only winning 3 games total.
