Defense: This team allowed less points than the points they put up themselves (allowed 28.4-points per game).

DATE	TEAM	SCORE & RESULT

9/02	Vs Yough	26-17 W
9/09	Vs McGuffey	35-28 W

10/21	Vs South Allegheny	62-13 L
10/28	@ Southmoreland	42-28 W
11/04	Vs East Allegheny	42-39 L

Overall: Their starting QB is going into his junior year and is developing nicely, however the Vikings are losing their starting RB and number one and two WRs. If the defense can continue to hold up while the offense gets their "next man up" players going they can have another winning season.
