

Peters Township Preview:

Last Season Schedule:

Last Season Recap: While the Indians finished their season with a record of 6-4 and missing the playoffs, almost every game they lost they were in it until the last drive.

Offense: Upcoming senior QB Chris Cibrone is coming off a near 2,000 yard passing season along with his 19 TD's. However, this offense is losing their top two stars from this past season in Richie Woods - one of the best RBs in the entire WPIAL-6 senior WR Brendan McCullough.

Defense: While the defense did have five games where they held their opponents to 14 points or less, they did have four games where they gave up 27+ points.

Overall: Despite losing some key players, Peters has some great depth/upcoming senior class including Ethan Weterman, Carter Shanafelt, Nate Miller, and Nick Courie.
