

Pine-Richland Preview:

Last Season Schedule:

Last Season Recap: The Rams beside Belle Vernon was arguably the best football team in the WPIAL last season. They finished with a 13-3 record and a 5A WPIAL and state title. The Rams started the season off 1-3 but finished off the year with a 12-game winning streak.

Offense: The Rams had three QBs who took reps last season, and all had 200+ yards passing, including Ryan Palmeri who was more of a rushing QB who had almost 1,700 rushing yards. The Rams had another 1,000-yard rusher in Ethan Pillar.

Defense: The only time Pine-Richland allowed more than 21 points is against Pickerton North a high school team from Ohio.

Overall: The Rams lost their best player in Ryan Palmeri, however Pillar is going into his senior season and can only go up from where he is now. Their new starting QB position is up in the air right now both are upperclassman with good experience.
