

Seneca Valley Preview:

Last Season Recap: After last season's rough start, Seneca Valley finished the season with a 6-4 overall record and missed the playoffs with a 1-3 conference record, after losing their final regular season game to North Allegheny in a tough loss 27-26, pushing them out of the playoffs.

Offensive Standouts: Seneca Valley's QB situation is in a standstill right now with the coaching staff figuring out who to start, and with team leading rusher Wyatt Craver graduating after last season. Seneca Valley has a lot of question marks heading into this season with again leading receiver Luke Lawson who committed to Navy to play football.
