

Shaler Preview:

Last Season Schedule:

Last Season Recap: Despite having an offense that had 6 games with 20+ points and a QB that eclipsed 2,000 passing yards the team finished 5-5 on the year and missing the postseason.

Offense: QB Keegan Smetanka threw for 2,113 yards and 31 TDs. Three receivers had 400+ receiving yards and Luke Cignetti also had a 1,000-yard rushing campaign.

Defense: Defensively this is where the team lacked. They allowed 31.2 points per game and allowed three games with 40+ points.

Overall: Shaler QB Smetanka has one more year left before graduation who has a chance to do even better than last season and his best receiver Joe DeSabato is returning as well. Unfortunately, is losing their 1,000-yard rusher Luke Cignetti and their defense where it stands is in the air.
