

Thomas Jefferson Jaguars

Last Year Schedule

Last year's overview: Last year The Jaguars had a typical year for the program going 8-4 on the year. They played only two games in the playoffs as they lost to Central Valley.

Offense overviews: Last year the Jaguar's offense had a great air attack. Their starting Quarterback Brody Evans had 1,986 total yards and 19 touchdowns. Sean Sullivan was the leading receiver with 922 total yards receiving. Their rushing game was not as strong as the passing game was still a threat as upcoming Senior Elias Lippincott had 909 total yards on the season.

Defense overview: Last year Jaguar's defense was one of the best parts of this team. They practically shut down almost everyone's offense.

Overall: This jaguar is in a good spot to win. They have all their weapons back this year. They keep their QB, 3 top WRs, and running back. The only thing they need to do is run the ball some more. On the other side of the ball, they need to recreate what they did this year.
