

Union Preview:

Last Season Recap: Last season the Scotties finished with a 12-4 record. They ended up defeating Bishop Canevin last year in the WPIAL final. They made it all the way to the second round of the state playoffs but ended up losing 22-8 against a good Steelton - Highspire team.

Offense: The Scotties offense was pretty good last season putting up 20 plus points in most of their games. The game that they scored the least amount was against a mediocre Rochester team.

Defense: Union's defense was OK. They kept up with the offense but let the opposing team score a lot. There were a lot of 1 touchdown wins that this team had last season.

Overall: This 2023 season for the Scotties is going to be something to keep an eye on. They have a lot of games that they could most definitely win. They also have some games that they could be blown out in. It will all come down to how the defense handles their job.

Season Record Prediction 10-0
